ESTATE RECOVERY STUFFER

It has come to our attention that certain public assistance recipients, particularly SSI/SSP and IHSS recipients may not be aware of the Medi-Cal estate recovery process.

One of the ways to inform them of the process is to include the information in an annual stuffer to all Medi-Cal recipients and a semi-annual mailing to SSI/SSP recipients.

Attached is a copy of the English/Spanish stuffer which we propose to release with the October 1987 Medi-Cal cards. This is basically the same information that was originally sent out in 1982.

If you need further information regarding the estate recovery process, please contact Sue Rohrke, General Collection Section at (916) 322-0647.

Sincerely,
